Academic and Administrative Audit (AAA) Report 2020-2021

Sri Ramakrishna Mission Vidyalaya, Coimbatore, is a major educational centre of the well-known Ramakrishna Mission, Belur Math, Howrah, West Bengal. Located at about 19 kms from the Coimbatore city on the highway to Ooty, the Vidyalaya is situated in a serene environment spread over nearly 300 acres. The institution was founded by Dr. T S Avinashilingam in 1930, Mahatma Gandhi, the Father of the Nation, laid the foundation stone of the Vidyalaya in 1934 and wished that the students of the Vidyalaya would be intensely patriotic followers of Truth. The Vidyalaya was affiliated to the Ramakrishna Mission in the same year. The Vidyalaya strives to infuse the educational and spiritual ideas of Bhagavan Sri Ramakrishna, Sri Sarada Devi and Swami Vivekananda into the daily lives of its students. Swami Vivekananda emphasized 'man-making education' and hence a lot of importance is given for the all-round growth, enrichment and personality development of the students. Universal values such as self-reliance, self-control, patriotism, service and dedication to duty are taught in various practical ways. A band of monks and brahmacharis of the Ramakrishna Order manage the activities of the Vidyalaya assisted by a highly professional and dedicated team of teaching and non-teaching staff.

Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education is one of the pioneering Physical Education Colleges in South India. It was started in the year 1956 and autonomous status was conferred in the year 2007. The college has completed 66 years of purposeful service to the student community and society. The college follows the great ideals placed before the country by Sri Ramakrishna, Swami Vivekananda and Mahatma Gandhi. This institution has been named after the great Ramayana hero, Mahavir, also called Maruthi or Hanuman. The college offers UG-Bachelor of Physical Education (BPed), PG-Master of Physical Education (MPed), Master of Philosophy (M.Phil), and Ph.D-Doctor of Philosophy (part-time and full time) programmes.

CREDENTIALS OF THE INSTITUTION

- Maruthi College of Physical Education was established in 1956 and one of the leading physical education institutions in South India
- Maruthi College of Physical Education is honoured with 12B & 2F status by UGC.
- Maruthi College of Physical Education is recognized by the National Council of Teacher

Education (NCTE)

- Maruthi College of Physical Education is a government aided institute, recognized by the Government of Tamil Nadu
- Maruthi College of Physical Education is registered under UGC Act
- Maruthi College of Physical Education is re-accredited by National Assessment and Accreditation Council (NAAC) with B Grade.
- Maruthi College of Physical Education is conferred with Autonomous status since 2007 by UGC
- Maruthi College of Physical Education is affiliated to the Tamilnadu Physical Education Sports University, Chennai since 2006
- Maruthi College of Physical Education is a recognized 'Research centre' since 2013, which can offer M.Phil and Ph.D programmes
- Isokinetic Laboratory (UGC funded) is established to promote research in physical education and sports to enhance funding opportunities from UGC for research and to serve the community.

VISION

Striving for excellence in the quality of training teachers and teacher educators in Physical Education and Sports through proper training, effective coaching, in-depth research and field based activities blended with emerging technologies and value based education on par with global standards.

MISSION

- Training committed, competent, and skillful pre-service physical education teachers and teacher educators by equipping them with necessary practical knowledge, skills, right attitude and nurturing holistic values so as to enable them to be creative and confident in fulfilling global demands.
- Imparting effective coaching by amalgamating basic skills and innovative strategies in order to successfully encounter unforeseen situations.
- Strengthening scholastic and non-scholastic skills through systematic, field-based and outreach activities integrating appropriate ICT strategies.
- Encouraging research activities by prioritizing the thrust areas of research through re-visiting emerging trends in the field of Physical Education and Sports.

Objectives:

- To educate the teacher trainees to attain proficiency in Physical Education and Sports
- To provide the essential professional attributes for teacher trainees
- To facilitate the teacher trainees to integrate the global challenges by means of innovative and self-assured practices

- To provide effective coaching in fundamental skills of major games and physical activities to succeed the unexpected circumstances with amazing results
- To incorporate the ICT strategies among teacher trainees
- To encourage teacher trainees to identify the essential areas of research in physical education and sports

After each assessment and accreditation, the National Assessment and Accreditation Council (NAAC) expect institutions to conduct continuous academic and administrative audits by external peers. It is an important step in independently assessing how well the improvement process is progressing and what still needs to be done. Institutions that strive to excel are always in the process of making a greater contribution to the growth and development of the education system.

Academic Audit is a peer review process including a self-study and a site visit by peer members from outside the institution. The purpose of an academic audit is to give poise to the institution to weigh up their educational quality processes required to produce, assure, and regularly improve the quality of teaching and learning. Administrative Audit is a process of evaluating the efficiency and effectiveness of the administrative procedure. It includes assessment of policies, strategies and functions of the administrative system of the college.

Sri Ramakrishna Mission Vidyalaya Maruti College of Physical Education has taken steps to monitor its progress and evaluate the performance of organizations not only through the Internal Quality Assurance Cell but also through the Academic and Administrative Audit Committee. This academic year 2020-2021 was conducted by external peers. As part of the quality activities, the institution's IQAC has set up the following committee with external members for review and evaluation of the institution:

1. Dr.S.T.N. Rajeswaran, Professor, Dept. of Physical Education, Bharathiar University, Coimbatore-641 046.
2. Dr.G.Subramonian, Principal, Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore-641 020.

The Principal additionally appointed the following members to assist AAA committee:

S.No.	Name	Designation
01	Dr.Ch.VST. Saikumar	Principal
02	Dr. T.Jayabal	IQAC Co-ordinator
03	Dr.E.Amudhan	Member
04	Sri.V.Mohanraj	Member

AAA was held on 21.09.2021. The committee held a formal meeting in the conference hall. Dr.Ch.V.S.T. Sai Kumar, Principal, presented the overall progress made in the academic year 2020-2021. Members of the AAA peer team discussed and began auditing according to the programme schedule prepared by the coordinator of IQAC. AAA committee members visited the institution and interacted with teaching staff and others. AAA members appreciated the institution's performance and provided constructive suggestions for quality efforts. After concluding their visit the panel submitted the AAA report containing observations and recommendations.

Section I: General Information

Name and Address of the Institute	Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education SRKV Post Coimbatore-641 020 TamilNadu 0422-2692443 rmmcpe@gmail.com
Year of Establishment	1956
Name of the Head of the Institution	Dr. Ch. VST. Saikumar 94432 94170 vstsaikumar@gmail.com
Name of the IQAC Co-ordinator	Dr. T. Jayabal 7402168639 jayabal@rmv.ac.in
Year of establishment of the college	1956
Affiliating University	Tamil Nadu Physical Education and Sports University, Chennai
NAAC Grade, Re-Accredited Year and CGPA	B Grade Year 2016 CGPA 2.32
Extension of Autonomous Status	2017-2022
College Committee	Regular meetings are held and recommendations are made and implemented
Governing Body	Regular meetings are held and recommendations are made and implemented
Board of Studies	Meetings are held from time to time and the curriculum is implemented in accordance with NCTE regulations and recommendations from stakeholders are duly considered
Academic Council	Regular meetings are held and recommendations are made and implemented

Internal Quality Assurance Cell (IQAC)	Meetings are held to assess the progress of academic and administrative regulatory activities
Quality initiatives during the year for promoting quality culture	IQAC has planned and achieved
Composition of IQAC as per latest NAAC guidelines	Yes
Number of IQAC meetings held during the year	4
Minutes of IQAC meeting and action taken report	Well documented and maintained
Programmes offered	UG-Bachelor of Physical Education (BPED) PG- Master of Physical Education (MPED) M.Phil - Master of Philosophy Ph.D - Doctor of Philosophy (part-time and full time)
Faculty members	14
Non-teaching and supporting staff	09
Students	156
Major features of the Institutional Context	• Governed by Ramakrishna Mission, known for Indian culture and philosophy • Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education is specially meant to prepare an ideal physical education teachers with emphasis on man making and character building education • 66 years of meaningful existence • The institution provides excellent ambience and adequate facilities for all round development. • Highly committed, dedicated and qualified staff
Date of visit	21.09.2021
Composition of the External Peer Team	Dr.S.T.N. Rajeswaran, Professor, Dept. of Physical Education, Bharathiar University, Coimbatore-641 046. Dr.G.Subramonian, Principal, Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore-641 020.

Section II: Criterion Wise Analysis

Curricular Aspects	
Curriculum Planning	Curriculum Planning, review and revision have been discussed at the Board of Studies and Academic Council held on 26.09.2020 and 03.10.2020. Programme Learning Outcomes (PLOs) and Course Learning Outcomes (CLOs) for B.P.Ed and M.P.Ed programme are stated and communicated to teachers and teacher trainees through college website, prospectus and student induction programme
Academic Flexibility	The curriculum includes core, electives, generic elective and disciplines specific elective courses in B.P.Ed and M.P.Ed programme Two (2) value-added courses are offered, i.e. 46 teacher trainees with 'Fitness Management' and 'Sports for Persons with Special Needs' with 43 teacher trainees enrolled during this year and pass percentage was 100% Students are encouraged to undergo two (2) self-study courses i.e. 25 teacher trainees with 'Improving Data Analysis through SPSS' and 'Communication Skills for Research Scholars' with 25 with teacher trainees and pass percentage was 100%
Curriculum Enrichment	Curriculum provides opportunities to acquire and demonstrate knowledge, skills, values and attitudes through theory, practicum, internship and ability and skill enhancement courses. Teacher trainers are well aware of the diversity in the school system in India and are professionally prepared for physical education and sports field
Feedback System	Structured feedback is obtained, processed with follow up actions from students, teachers, employers, alumni and teaching practice schools
Teaching-Learning and Evaluation	
Student Enrollment and Profile	The entire admission process is transparent and systematic as per the rules of NCTE and Government of Tamil Nadu The meritorious students are admitted and reservation policy is also taken care of during the admission by the institution.

	Number of students on roll 156 Number of students are on roll from the reserved categories 107
Honoring Student Diversity	• Mentor-Mentee ratio is 11:53 and the issues discussed, action taken and advice given are discussed in the mentor-mentee, teacher trainee progress the meeting was held on 12.12.2020. • Academic Counseling, Peer Feedback, Remedial learning engagement and Collaborative tasks are exist
Teaching-Learning Process	Teachers integrating ICT in theory, practicum and internship. Teacher trainees are encouraged to use ICT support, i.e. mobile-based learning, online material, podcast and learning apps etc., Institution provides exposure to recent developments in physical education and sports through 1. Special lectures by experts: • Dr. K. Murugesan, Professor and Head, Department of Tamil, Kongunadu Arts and Science College, Coimbatore delivered a lecture on, "Teachers: Pillars of the Nation" on 05.09.2020 • Sri K. Daththathreyan, Tamil Teacher, TAT Kalanilayam delivered a lecture on, 'Role of youth in nation building' on 01.03.2021 • Dr. P. Rajinikumar, Assistant Professor, Department of Exercise Physiology and Nutrition, Tamil Nadu Physical Education and Sports University, Chennai delivered a lecture on, 'How to succeed in UGC NET Examinations' on 06.03.2021 2. Book reading and discussion is conducted on 14.10.2020 to all the teacher trainees. The resource person is Dr.T.Jayabal, Associate Professor, SRMV Maruthi college of physical education, Coimbatore. 3. Workshop was conducted on National Education Policy 2020 on 14.10.2020. Dr.VST.SaiKumar, Principal & Secretary, SRMV Maruthi college of physical education, Coimbatore, spoke about the role of physical education and sports in National Education Policy 2020.

	4.College has arranged the special seminar for the benefit of teacher trainees. Dr.T.Jayabal, Associate Professor, delivered a lecture during the seminar on "Expectations of Heads of Schools from a Physical Education Teacher" on 25.11.2020. 6.College organized International webinar on yoga and celebration of virtual international yoga day from 17.06.2020 to 21.06.2020. 7. College organized National webinar series on physical education and yoga: major immunity boosters during pandemic from 26.08.2020 to 30.08.2020 8. College organized International e-Conference on ‘Synthesis of Traditional Yoga and Modern Science: Solution for the Current Pandemic’ was conducted on 20.06.2021.
Competency and Skill Development	Institution conducts orientation programmes to provide opportunities to teacher trainees for developing competencies and skills. College organized workshops for developing competency of effective communication such as, ➤ A one-day workshop on Communication Skills Development for the post graduate students of Maruthi College of Physical Education was organised at the College from 9 am to 4. 30 pm on 27 July 2020. Dr. P.J.Sebastian, Professor, Maruthi College of Physical Education and Dr.C.Velusamy Professor in English were the resource persons. ➤ A one-day workshop on Communication Skills Development for B.P.Ed. students of Maruthi College of Physical Education was organised at the College from 9 am to 4. 30 pm on 10 August, 2020. Dr. Chandrasekaran, Professor, Department of English, Vidyalaya College of Arts and Science and Dr.C.Velusamy Professor in English were the resource persons. Teacher trainees are enabled to evolve the following tools of assessment for learning such as, 1. Teacher made written tests 2. Observation modes for individual and group activities 3. Performance tests 4. Oral assessment

	5. Rating Scales Variety of assignments are given for teacher trainees and assessed for theory courses such as, library work, hands-on activity in laboratories, preparation of term paper and identifying and using the different sources for study
Teacher Profile and Quality-Office	• Fulltime teachers against sanctioned posts during the year - 14 • Percentage of fulltime teachers with Ph. D. degree during the year - 13 • Average teaching experience of full time teachers during the year - 10.125
Evaluation Process	• Mechanism of internal evaluation is transparent • College adopts the following internal evaluation process such as: • For B.P.Ed theory, the weightage of internal and external is 40 and 60 respectively. For practicum 100 % weightage is given for internal evaluation alone and for internship the weightage of internal and external is 75 and 25 respectively. • For M.P.Ed theory, the weightage of external and internal is 60 and 40 respectively. For practicum the weightage of the external and internal is 20 and 80 respectively. For internship the weightage of the internal and external is 90 and 10 respectively and for dissertation the weightage of the internal and external is 50 and 50 respectively. • Display of internal assessment marks are displayed prior to the term end examination • Timely feedback on individual/group performance • Teacher trainees can appear for improvement examination only in the immediate next semester after appearing for improvement, the best two scores considers as the final marks. The improved marks are consider for classification only, but not for ranking.

	• UG teacher trainees are permitted to write the examinations either in Tamil or English • Mechanism for grievance redressal related to examination is operationally effective • The institution adheres to academic calendar for the conduct of Internal Evaluation
Student Performance and Learning Outcomes	The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Pass percentage of outgoing students are: B.P.Ed-II 100%, MP.Ed (96%) and M.Phil (100%)

Research and Outreach Activities	
Resource Mobilization for Research	To promote the standards of the research project proposal an interactive session for writing research proposal and discussions to submit research proposal for DST- SATYAM was conducted on 21.02.2020. Intellectual Property Rights (IPR) Cell of the college is formulated on 10.03.2021
Research oriented activities	Research oriented activities by faculty are ➤ Paper presented in national level seminars:2 ➤ Participated in national level webinars:6 ➤ Ph.D., viva-voce conducted: for 3 scholars ➤ Pre-Ph.D Viva-voce (online mode): for 2 scholars ➤ M.Phil Viva-Voce was conducted on 17.12.2020 through online mode for 06 M.Phil scholars of 2019-2020 batch. ➤ Research articles published:2 Book published: Dr. P.J. Sebastian, (Guest Faculty) and Dr. M. Srinivasan, Assistant Professor published a book “Science of Circuit Training” with ISBN No. 9789390016754 in March 2021. Project A project under the aegis of the ‘Fit India Movement’ college has taken an initiative in ‘Designing and Implementation of Physical

	Education Curriculum for School students' and the meetings were held on 14.07.2021, 19.07.2021 and 22.07.2021. Award: Dr. T. Thangamani, Assistant Professor received an award of 'Yogachariya' in recognition of his achievements in the field of yoga by Tamil Nadu Yogasana Association (Affiliated to Yoga Federation of India & Recognized by SDAT and Tamil Nadu Olympic Association) on 21.06.2021.
Outreach Activities	College organised outreach activities such as, - A voters' awareness rally was organized on 22.03.2021. Sri G. Krishnamoorthy, DSP, Periyanciekanpalayam inaugurated the rally with flag-off. All the staff and students took part in this rally. The students carried the placards bearing voters awareness. The rally covered the distance of three kilometers in the Periyanaickenpalayam area. - Covid-19 vaccination awareness rally was organized on 24.03.2021. Dr. R. Giridharan, Associate Professor and HOD, RKMVERI GAPEY inaugurated the rally with flag-off. All the staff and students took part in this rally. The students carried the placards bearing Covid-19 vaccination awareness.
Collaboration and Linkages	➤ Memorandum of Understanding (MOU) signed with Honorary Secretary General Yogiraj N. Ramalingam of Tamil Nadu Yoga Association, Madurai on 21.01.2021. ➤ College organized 5-day International Webinar on, 'Yoga' in collaboration with Tamil Nadu Yoga Association, Madurai, from 17.06.2020 to 21.06.2020
Infrastructure and Learning Resources	
Physical Facilities	➤ The College is having excellent infra-structural facilities with 79,668.47 sq. mts. of land and equipped with modern and functional workspaces to create an excellent

	ambience and atmosphere for teaching-learning and organising sports meets. ➤ Adequate number of well-equipped classrooms and halls for teaching learning transaction with LCD and audio visual aids. ➤ Wi-fi provision for uninterrupted internet access to the students and faculty members. ➤ Separate office for Controller of Examinations with strong room and in built security arrangements. ➤ Well-equipped sport sciences laboratories are functioning well ➤ College is having a well-established Fitness Centre and Powerlifting cum Weightlifting centre.
Library as Learning Resource	• Library is fully Automated • Library is automated by open source software, Koha Library Management Software (Multi-User) in order to enhance the quality of library services. • The Koha has integrated with RFID technology/Bar code technology • Library has a collection of 6413 books, print documents and other digital/electronic resources. • The library has implemented RF (Radio Frequency Technology) for Security purpose. Each book in library has embedded with RF Tag. • Library has an exclusive web portal for digital learning, teaching and research resources to facilitate the faculty members, research scholars and students to access the digital resources and scholarly literature remotely link: (https://srkvmcpe.org/facilities/library/) • e-journals:145 • e-Shodh Sindhu: Access to more than 263042 core collections of e-journals, e-books, etc., • Shodhganga: Access to more than 338547 full text Theses • e-books:375 • Institutional Member for Annual Subscription of NLIST Programme through e-ShodhSindhu Consortium is facilitated to access to more than 263042 core collections of e-journals, e-books, etc.,
ICT Infrastructure	• College has well-established ICT facilities that enables to conduct classes, seminars, conferences and workshops, etc.

	• College has internet connectivity and Wi-Fi facility that has been effectively accessed in the administrative office, classrooms, library, etc. • Each classroom is provided with a computer and LCD projector. • The Wi-Fi access is established by a private Internet Service Provider (ISP), “Ready link” with a speed of 300 Mbps and the access is given through a Wi-Fi router
Maintenance of Campus Infrastructure	• The maintenance of physical, academic and support facilities is headed by the principal who in turn monitors the work of the teaching staff, administrative staff and supportive staff at the next level. • Regular maintenance of civil, electrical, plumbing, carpentry, masonry and painting are adequately monitored and maintained by the maintenance section of the central management of the institution.

Student Support	Guidance and counseling cell: • It provides different counseling services such as academic, career, personal and health services through conducting counseling sessions. • Guidance and Counseling Cell arranged for a special lecture on 22.07.2019 on the various job opportunities available for the physical education graduates. Dr. R. Saravana Prabha, Head & Associate Professor in Physical Education, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore was invited for the special lecture. • Guidance and Counseling cell organized a lecture on Motivational Techniques on 22.08.2019. The lecture was delivered by Dr. K. Murugesan, Professor and Head, Department of Tamil, Kongunadu Arts and Science College, Coimbatore Students were guided to set their goals of life and work hard towards it.

	• Guidance and Counselling Cell arranged a special lecture on 31.07.2019 on the topic: 'Various programmes available in physical education and their scope'. Dr. Amsa Natarajan, Principal, Sri Sarada College of Physical Education, Salem was invited as special guest to give awareness about various degrees, diplomas, certificate courses available in the field of physical education. • Parent-teacher system was functioning well and meeting was also held on 01.07.2019 • Student support services such as, vehicle parking, first aid and ambulance facility, rest rooms, safe drinking water, hostel and canteen are provided by the college • Grievance redressal cell functioning well and its meeting are conducted on 11.06.202, 19.01.2021 and 23.02.2021. • Government scholarship (BC,MBC,SC,&ST):82 • Backward and Most backward
Student Progression	Placement: • 23 teacher trainees are placed in off campus placement i.e. BPed-10, MPed-11 and MPhil-2 • No. of teacher trainees progression to higher studies is 28, i.e. MPed- 27 and Ph.D.,-01 • College conducted one week intensive UGC NET Coaching classes for MPed and MPhil scholars from 06.03.2021 to 10.03.2021
Student Participation in Activities	Teacher trainees are represented in the following academic and administrative bodies such as, ➤ Board of Studies ➤ Guidance and Counseling Cell ➤ Internal Quality Assurance Cell ➤ Library Advisory Committee ➤ Student Council ➤ Anti-Ragging Cell ➤ Grievance Redressal Cell

	➤ Placement Cell ➤ Intramural Committee
Alumni Engagement	• The alumni association is functioning well and it contribute to the overall academic growth of the institution by playing a major role as members of various committees, resource persons, job providers, financial supporters and professional partners. • Maruthi Alumni Association meeting was held on 21.02.2021
Governance, Leadership and Management	
Institutional Vision and Leadership	Vision: Striving for excellence in the quality of training teachers and teacher educators in Physical Education and Sports through proper training, effective coaching, in-depth research and field based activities blended with emerging technologies and value based education on par with global standards. Mission: • Training committed, competent, and skillful pre-service physical education teachers and teacher educators by equipping them with necessary practical knowledge, skills, right attitude and nurturing holistic values so as to enable them to be creative and confident in fulfilling global demands. • Imparting effective coaching by amalgamating basic skills and innovative strategies in order to successfully encounter unforeseen situations. • Strengthening scholastic and non-scholastic skills through systematic, field-based and outreach activities integrating appropriate ICT strategies. • Encouraging research activities by prioritizing the thrust areas of research through re-visiting emerging trends in the field of Physical Education and Sports. • The institution decentralizes the powers to the faculty with full autonomy to accomplish the task. • The powers are decentralized in a hierarchical way to all the subject teachers, coordinators and committees. • The activities of the institution are carried out with utmost transparency using participatory approach.

Faculty Empowerment Strategies	The following welfare measures are available for teaching and non-teaching staff: ➤ Free internet facility available to the teaching and non-teaching staff ➤ Faculty Development Programmes conducted by the college: • ‘Online Teaching’ was organized on 07.07.2020. The resource persons were the faculty from the Computer Science Department of Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore-641 020 • ‘Recent Trends in Physical Education’ on 07.05.2021. Dr. S.Thirumalaikumar, Professor, Department of Physical Education, Tamil Nadu Physical Education and Sports University, Chennai acted as a resource person for the programme. • ‘Statistical Product and Service Solutions’ (SPSS) on 08.05.2021. Dr. S. Sethu, Assistant Professor, Department of Physical Education, Manonmaniam Sundaranar University, Tirunelveli acted as a resource person for the programme. • ‘Efficacy of office administration’ on 08.07.2021. Dr.K.Murugavel, Professor and Head, Department of Physical Education, Bharathiar University, Coimbatore, acted as a resource person ➤ Medical camps are frequently organized by the Ramakrishna Mission Vidyalaya in the campus. Employees can make use of camp for treatment and general check-up ➤ Group insurance benefit is also provided to the employees. ➤ On-Duty leave is provided for attending Workshops, Conferences Orientation course, refreshers courses. ➤ Employees Provident Fund for teaching and non-teaching staff. Management contributes equal share for Employees provident Fund.
--------------------------------	--

Financial Management and Resource Mobilization	➤ The financial regulations of the institution are based on the clearly ‘laid-down procedures’ of the financial management with total transparency. ➤ The planning is done by the finance committee which consists of the following persons: ➤ Secretary ➤ Principal ➤ Treasurer ➤ Financial Advisor ➤ Accounts Officer assisted by Clerks and Chartered Accountant. ➤ The sources of income for the academic programme in particular and the institution, in general, are legitimate and known and hence all the items of expenditure are budgeted. There is transparency in all the transactions. ➤ Management maintains the transparency in the financial issues by adhering to: • The management audit (Internal audit) • The Government audit and AG Audit
Strategy Development and Deployment	As the post accredited initiative, the college had planned to implement a strategic plan to enable the stakeholders to optimally utilize various resources and let the services be also utilized by the public
Internal Quality Assurance System	Internal Quality Assurance Cell (IQAC) functioning well such as, ➤ curriculum planning, reviewing and modifying and finalizing ➤ Conducting staff council meetings to discuss teaching learning and other academic and administration process ➤ conduct faculty development programme for teaching and non-teaching staff ➤ Monitors the evaluation process by Controller of Examinations ➤ Feedback analysis for follow up actions ➤ IQAC conducts 48 quality initiatives for promoting quality culture in the college ➤ IQAC engages in several quality initiatives such as

	• Quarterly meeting of Internal Quality Assurance Cell (IQAC) • Timely submission of AQARs • Academic Administrative Audit (AAA) and initiation of follow up action • Collaborative quality initiatives with other institution
--	---

Institutional Values and Best Practices	
Institutional Values and Social Responsibilities	The college has taken the following measures to ensure energy conservation: • Fixing the LED lights and bulbs to reduce energy consumption. • Well-designed buildings to maximize the use of natural light and ventilation. College keenly taking cares the collection, transport, treatment and disposal of waste, together with monitoring and regulation of the waste management process such as, • Hostel and canteen are provided with waste disposal mechanisms. The food waste is used for biogas production and as feed for Emu birds. The biogas produced is utilized for cooking at the hostel. • Waste water from the toilets is collected through drainage pipelines and drained out by the drainage system thereby avoiding stagnation of water inside the campus. The waste water from hostel is used in the garden to water the plants. Treated water is tested on 8 parameters for the use of vegetation. College has initiatives to maintain cleanliness, sanitation, green cover and providing a pollution free healthy environment in the such as,

	• Separate washrooms are provided for men trainees, women and faculties. The supporting staff ensures that cleanliness and sanitation are neatly maintained in the washrooms and restrooms. • RO purified safe drinking water is available. • Maintenance of playfields was included in the curriculum. • Medical services are available free of cost to the students, employees and their families through 'Charitable Dispensary' run by the management. • A Health Insurance scheme is implemented for students, teaching and non-teaching faculty members. • Leaf litter from the campus is used for mulching around tree base to help retain water content and enhance nutrients, or sent to the corporation disposal bins for disposal. A small quantity is sent to the vermin composting unit. Over 500 kgs of leaf wastes are collected at Vidyalaya Campus every day to make it Organic Manure. It is used for fertilizing the plants on the campus. Institution has a prescribed Code of Conduct for students, teachers, administrators and other staff
Best Practices	• Game-Based Training for Improving Skill and Physical Fitness in Sports • Developing professional competencies essential for qualified officials to effectively organize sports and games using field based training
Institutional Distinctiveness	Synchronized Physical Training through Rhythmic Activities

Section III: Overall Analysis

Institutional Strength	• The institution has an excellent reputation in the society • Well qualified teaching faculty with doctorates • Sports sciences laboratories of highest standard • Latest sports training gadgets for training and research purpose
------------------------	---

Institutional Weakness	Need to get major / minor research projects from various agencies like UGC / DST / ICSSR
Institutional Opportunities	- As the institution is known for its values and discipline, many of the parents are willing to send their wards to this college - All the students are placed through campus interview
Institutional Challenges	Getting the attention of the students while handling the on-line classes

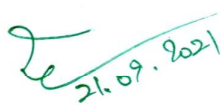

Section IV: Recommendations for Quality Enhancement

- Officiating examinations can be conducted in as many games as possible
- Sports sciences laboratories may be used optimally for conducting research projects.
- Teacher educators may be given more exposure by conducting various tournaments

I have read the report and agree with the report.
