NATIONAL ANTHEM
Jana-Gana-Mana
(Thou Art the Ruler of All Minds)

The Indian National anthem, composed originally in Bengali by Rabindranath Tagore, was adopted in its Hindi version by the Constituent Assembly as the National Anthem of India on 24 January 1950. It was first sung on 27 December 1911 at the Calcutta session of the Indian National Congress. The complete song consists of five stanzas. The lyrics were rendered into English by Tagore himself.

"ஜன கண மன அதிநாயக ஜய ஹே

பாரத பாக்ய விதாதா

பஞ்சாப ஸிந்து குஜராத மராட்டா

திராவிட உத்கல பங்கா

விந்திய ஹரிமாசல யமுனா கங்கா

உச்சல ஜலதி தராங்கா

தவ சுப நாமே ஜாகே

தவ சுப ஆசிஸ மாகே

காஹே தவ ஜய காதா

ஜன கண மங்கள தாயக ஜய ஹே

பாரத பாக்ய விதாதா

ஜய ஹே ஜய ஹே ஜய ஹே

ஜய ஜய ஜய ஜய ஹே!"

Translation of the national anthem - Jana Gana Mana in English:

Thou are the ruler of the minds of all people, dispenser of India's destiny. The name rouses the hearts of Punjab, Sind, Gujarat and Maratha. Of the Dravid and Orissa and Bengal. It Echoes in the hills of Vindhyas and Himalayas, mingles in the music of Yamuna and Ganga and is chanted by the waves of the Indian Sea. They pray for your blessing and sing the praise. The salvation of all people – is thy hand, thou dispenser of India's destiny. Victory, Victory, Victory to these.

College Profile

Ramakrishna Mission Vidyalaya

Ramakrishna Mission Vidyalaya, Coimbatore. (A Branch of Ramakrishna Math and Ramakrishna Mission, Belur Math, Howrah, West Bengal). Located at about 19 kms from the Coimbatore city on the highway to Ooty, the Vidyalaya is situated in a serene environment spread over nearly 300 acres. The institution was founded by Dr. T.S. Avinashilingam in 1930, with an investment of Rs.5.75 and one harijan boy on its roll. Indeed, a small beginning for his great achievement that stands materialized today as a vast educational and spiritual centre with facilities for education from pre-school to postgraduate and doctorate levels. But then, there was a source for his inspiration to set out on that bold venture. While studying in college, Dr. T.S. Avinashilingam met Swami Shivananda, a direct disciple of Bhagavan Sri Ramakrishna whose another well-known disciple was Swami Vivekananda. It was from Swami Vivekananda that Swami Shivananda absorbed the idea of the prime importance of education for the revival of India. The 'sacred touch' of Swami Shivananda, as Dr. T.S. Avinashilingam later described it, awoke in him the necessary strength and vision for his future mission in the field of education. Mahatma Gandhi, the Father of the Nation, laid the foundation stone of the Vidyalaya in 7 February 1934 and wished that the students of the Vidyalaya would be intensely patriotic followers of Truth. The Vidyalaya was affiliated to the Ramakrishna Mission in January 1935. Swami Garishthanandaji Maharaj is now the Secretary of the Ramakrishna Mission Vidyalaya, Coimbatore. The Vidyalaya institutions are guided by a team of dedicated monks.

SRMV Maruthi College of Physical Education (MCPE)

Sri Ramakrishna Mission Vidyalaya Maruthi College is one of the institutions in Vidyalaya which was formally inaugurated by Acharya Vinoba Bhave on 22 September 1956. This institution has been named after the great Ramayana hero, Mahavir, also called Maruthi or Hanuman. Faith and devotion are essential factors in the development of strength in any individual. Personal purity and devotion to a great cause are the necessary

requisites for a healthy living. Maruthi, who personified in himself these great qualities, has stood as the ideal of manhood to millions of men in our country. And so it is only fitting that this institution is named after him.

Vision

Striving for excellence in the quality of training teachers and teacher educators in Physical Education and Sports through proper training, effective coaching, in-depth research and field based activities blended with emerging technologies and value based education on par with global standards.

OTHER FACILITIES

Common Facilities and Laboratories

Smart Class

Smart class is a technology leveraged to improve the teaching – learning system, which has evoked a new environment, new emotion in the classrooms. It is an environment where the teacher

is empowered to teach better and student is inspired to learn better than before. Smart class can boast about multimedia, mapped to CBSE, ICSE, State board curriculums, and explains the most difficult concept with easy clarity, bridging the learning gaps between the two stakeholders. It is equipped with exhaustive repository of well researched, digital modules of lessons (consisting of audio-video, 2D and 3D animations and graphics) on almost every subject from KG to class XII.

Library

The library is to provide information services and in the form print and e-resources to support the scholarly and information needs of the faculty members, research scholars and students. The Library is computerized with modern facilities and resources in the form of Books, Periodicals, CD-ROMs, etc. Library adopts Open Access System to enhance the access facilities. The library has been automated by implementing RF Technology. Very few Physical Education college libraries in India have been automated by implementing of RF Technology. The college library is fully automated and a full-fledged online service is provided to its users. The library also has a Wi-Fi facility.

Fitness Centre

Our college is having multi gym facility and all of our students are utilizing it for training purposes as well as the research purpose.

The college established the powerlifting and weightlifting hall with UGC-SERO grant. The equipment procured and their photos attached here with. With these equipment, state level and national level weightlifting and powerlifting competitions can be conducted.

List of Laboratories

- ◆ Kinesiology and Bio-mechanics Laboratory
- ◆ Sports Medicine Laboratory
- ◆ Exercise Physiology Laboratory
- ◆ Anatomy, Physiology & Health Education Laboratory
- ◆ Isokinetic Laboratory
- ◆ Sports Psychology Laboratory

- ◆ Educational Technology Laboratory
- ◆ Computer cum Language Laboratory
- ◆ Adapted Physical Education Laboratory

Methods of Curriculum Transaction

Curriculum transaction plays a pivotal role in making to be teachers. At our College, emphasis is given on instructional techniques like Learner-centered, Experiential and Peer-learning methods. Subject-related practicals are mandatory for all the trainees. These techniques help our students to excel in their career as teachers.

Highlights of Evaluation System

Two continuous internal assessment tests and one model examination are conducted in each semester. The college adopts central valuation system in which both internal and external examiners are involved. The results are published within 10 days from the last day of the semester examination. By applying the system of transparency, the college allows the students to get photocopies of the term-end examination papers. The supplementary examination system is also followed.

HIGHLIGHTS OF STUDENT ACTIVITIES

Students are actively involved in organizing seminars, workshops, educational exhibitions, and student literary association activities, and are encouraged to participate in state and national level seminars, workshops, and educational competitions. In times of emergency, they voluntarily donate blood and offer their services. Additionally, they take part in community service, campus cleaning drives, cultural programmes, and leadership training camps.

Leadership Training Camp

Our college conducts a Leadership Training Camp every year, and all students are required to undergo a Seven-day residential annual training program.

Play Festival

Every year during the internship programme, BPED I teacher trainees visit Panchayat Union Elementary Schools to conduct mass

demonstration activities, where school children perform various exercises to the tune of patriotic songs.

Teaching Practice

Undergoing Intensive Practice Teaching in neighboring schools is compulsory for all the students.

For experiential learning, teacher trainees undergo teaching practice in the college on all Wednesdays under the guidance of a faculty allotted for this purpose.

Teacher trainees give their reactions, difficulties faced and strategies adopted to solve them. The faculty gives their generalized comments on the teaching practice as a whole. The whole session becomes quite lively and reflective.

Teaching practice at schools is systematically arranged by involving the head of the institution, teaching practice staff in-charge, head of the school and school mentor teacher (physical director/physical education teacher) and make a detailed plan of the teaching practice programme for the academic year.

Project Track and Field Meet

Every year students are provided academic credits for successful execution of project sports meet. A group of students shall be given the responsibility of organising and officiating a track and field meet and tournaments in the institution.

CAMPUS INTERVIEW

The college arranges campus interview for the students every year. 100% of the students get employment before completing the course.

RESIDENTIAL FACILITIES

The on-campus hostel offers a comfortable and supportive environment with boarding and lodging facilities for students. OUTREACH ACTIVITIES

Academic Development

The outreach program provides students with an opportunity to understand their course content, make them aware of the determinants of health, valuing the pedagogy of transacting physical education curriculum and also developing their career.

Students articulated their enthusiasm for training in outreach programmes with a sense of growing confidence in their abilities and development of practical sports skills. The academic field visits also contribute in the enhancement of their theoretical knowledge

and competencies. Many studies conducted in the field of sports and games also advocate the fact that 'the opportunity to apply learned theories in a new setting would insulate more practical experience and undoubtedly enhance the students' learning opportunities.

Personal Development

With the increase in out-reach activities, there is an inevitable increase in breadth of experience. These activities improve upon the identity of an individual, develop potential, facilitate employability, enhance quality of life and contribute to the realization of aspirations of students. The involvement of students in outreach activities lays the foundation for developing not only skills in physical education but also developing life skills by acquiring them by envisioning their aims in life, and setting goals to realize and maximizing their potential.

Skill Enhancement

The out-reach activities enable the college students to recognize the value of a multidisciplinary approach in physical education, and make them feel comfortable while working with others in the community. Students also realize that teaching and learning within an outreach context is neatly structured, prepackaged, and time scheduled. Working in the outreach setup had increased the participants' self-confidence as they are solely in managing their assigned duties. As a result, positive effects were observed on the students learning experience, appreciation for the need of teamwork, development of organisational and communication skills.

Service to Deprived Students

Outreach programs are beneficial not only by providing the students an academic foundation but also developing their self-confidence, leadership qualities, and their responsibilities toward the community. These activities strengthened their sense of responsibility toward their studies and had a positive impact on their attitudes to develop physical education skills among students of disadvantaged communities. Such outreach experiences were effective as an adjunct to traditional school-based training in improving students' confidence in enhancing skills in sports. Due to these experiences students not only become knowledgeable in the

specialized area of physical education but also develop features such as community awareness, community involvement, commitment to service, career development, self-awareness, leadership qualities, awareness of determinants of health, and understanding of course content.

Civic Responsibility

The outreach activities provide opportunities to build a partnership between the institution and the community thus recognizing the value in developing key relationships with schools in order to support the school curriculum and students' knowledge. Working in outreach settings develop the cultural competencies while interacting and communicating with the individuals of the community, appreciation of their support, and physical education efforts extended by them.

Other Institutions of Vidyalaya

1. Vidyalaya High School (1930): It is the oldest of the Vidyalaya institutions. About 250 students study in Std. VI to X. Medium of instruction is Tamil. The concept of integrated education for the blind has been successfully implemented in the school for the last 20 years.

(Physical Education), B.P.Ed., M.P.Ed., Ph.D., Certificate Courses in Adapted Physical Education, Yoga, Kalaripayattu, Fitness, Aerobics and Tennis; and Diploma Course in Special Olympics and Paralympics
- c) **Faculty of Agriculture, Rural and Tribal Development (FARTD):** The ARTD, earlier known as Faculty for Agriculture Education and Research (FAR). In order to address the challenging tasks emerging in the field of rural and tribal development, a FIVE year Integrated M.Sc. in 'Integrated Rural and Tribal Development' programme and a M.A. / M.Sc. in Rural Development and Management programme have been started from the session 2022-23.

12. Integrated Rural Development Scheme: The Vidyalaya has been rendering rural development service since the year 2002 under the title 'Vidyalaya Integrated Rural Development Scheme'. Economically backward residents of areas such as Arivoli Nagar, Jeeva Nagar, Ambedkar Nagar, Pudupudhur, etc., were benefited through various development activities undertaken there.

XIII. SUPPORT SERVICES

Book stall: A bookstore / sales section has been in operation since June 2009.

Printing Press: A modern computerized press takes care almost all the needs of the Vidyalaya.

Digital Technology Centre: With two engineers and one assistant engineer, located in the Vidyalaya Maintenance Section, takes care of the maintenance and repairs of all computers (around 1000), printers, scanners, etc., in the various institutions of the Vidyalaya.

Construction and Maintenance Department: This takes care of practically all the requirements of the Vidyalaya, including the construction of new buildings etc.

Dairy and Goatery: About 30 milch animals are maintained to serve hands-on training to our students of the Institute of Agriculture and Rural Development.

Disabled Trainees Vocational Production and Rehabilitation Centre: A Notebook Section has been in operation in the Vidyalaya campus since 1992. Besides catering to the needs for notebooks of our various institutions within the campus, the section takes orders on a selective basis from other institutions as well with the primary objective of providing employment to the economically backward and the physically challenged. Notebooks are priced at bare minimum.

Ramakrishna Mission Vidyalaya Charitable Dispensary: The Charitable Dispensary of the Vidyalaya caters to a population of around 8000 students and 800 staff members and their families besides a large number of underprivileged people residing in the surrounding areas. In addition to regular general consultation, it also offers consultation by specialists in the areas of orthopedics, neurology, pediatrics, cardiology, gynecology, diabetes, skin, asthma, dental, ENT, general surgery, etc. On an average, around 150 patients visit the dispensary for consultation every day. As part of the medical services, many free medical camps will be organised for the benefit of the underprivileged.

Ramayana Park based on Indian epics - a project to promote Indian values: The Ramayana Park has been set up with the aim of taking our ancestors individual, family, social, ethical, and moral values to the general public. It is structured around the images

of twenty-one important personalities of the Ramayana with their respective characteristics. The Park is an innovative and eye-catching attempt so children can have facilities for exercise and recreation, and at the same time cultivate a mind to appreciate the Ramayana's subtle power of developing character, art, and culture.

Sarada Noon Meal Scheme: Ramakrishna Mission Vidyalaya Provides free noon meal scheme to the deserving students on all working days of the college. The alumni and philanthropist of the institutions also support the successful implementation of the scheme.

Sister Nivedita Anna Yojana: Under this scheme 50 old age people those who were isolated or abandoned by their family members in near by villages of Vidyalaya are identified and food packets are being distributed at their doorsteps on all days except Sunday. This programme initiated by Vidyalaya is governed by the Department of Social Work.

The above facilities are used by the Maruthi College of Physical Education whenever necessary.

CELEBRATIONS AT VIDYALAYA

International Yoga Day: The United Nations General Assembly declared 21st June as International Day of Yoga. Since 21st June 2015 the International Day of Yoga is being celebrated by the students of Sri Ramakrishna Mission Vidyalaya at our college ground.

The Kalpataru Day: The day on which Sri Ramakrishna revealed his true identity and blessed his followers is celebrated on the 1st of January every year as the Kalpataru Day.

The Gurupuja: The public celebration of Sri Ramakrishna's birthday is celebrated on the 1st Sunday of January every year with devotion and fervour. Thousands of devotees attend this function and receive the blessings of the Gurudev. They listen to devotional songs and watch cultural programmes performed by the students of the Vidyalaya. Students of the Vidyalaya exhibit their scientific talents by presenting their models and invention in Science. Eminent speakers enlighten the audience their devotional fervour.

The National Youth Day: As declared by the Government of India, the birthday of Swami Vivekananda, is celebrated during 12th January every year. More than 1500 students including 100 staff members involve in this celebration. A youth rally is conducted with Swamiji's sayings and pictures as mobile exhibitions. Sports competitions, oratorical competition and essay writing competition are held.

World Disability Day: The Third Day of December every year is observed as the World Day for the Disabled all over the world. This day provides an opportunity to focus the attention of Government and the society towards the problems of the handicapped community. The handicapped draw inspiration to integrate themselves into the mainstream of social life. This occasion gives an opportunity to the community to express its solidarity with the disabled people.

Birthday Celebration: The birthday of Sri Ramakrishna, Sri Sarada Devi, and Swami Vivekananda are celebrated with special puja, homa, bhajans and arati at the Sri Ramakrishna Temple.

Saraswathi Puja: The Saraswathi Puja is solemnly celebrated in all institutions, hostels and other departments of the Vidyalaya. Entire staff and students participate in the puja.

Kalaimagal Vizha: Kalaimagal Vizha, the annual three day event in commemoration of the Navaratri, is celebrated in the Vidyalaya during the month of October. Eminent speakers and performing artistes are invited on the occasion. Students from various institutions of the Vidyalaya give inspiring drama and dance performances.

Republic Day and Independence Day Celebration: The Republic Day and Independence Day are Celebrated on 26th January and 15th August respectively every year in a grand scale with march past, flag hoisting and special address where all the institutions participate together. A rolling trophy for the best marching contingent is awarded.

Vidyalaya Foundation Day: Vidyalaya Foundation Day is observed every year on 3rd February. As a mark of respect to the founder of the

Vidyalaya, Dr. T.S. Avinashilingam, public meetings are conducted on that day and eminent persons visit the Vidyalaya to address.

Spiritual Retreat: Spiritual Retreats are conducted for the devotees every year. Hundreds of devotees from various parts of the nation attend the retreats. Retreats are also conducted for the members of the staff of the Vidyalaya.

What Our Emblem Signifies

The wavy waters in the picture are symbolic of Karma, the lotus of Bhakti and the rising sun of Jnana. The encircling serpent is indicative of yoga and the awakened Kundalini Shakti, while the swan in the picture stands for the Paramatman. Therefore, the idea of the picture is that by the union of Karma, Jnana, Bhakti and Yoga the vision of the Paramatman is obtained.

- *Swami Vivekananda*

The Olympic Oath

"In the name of all competitors, I promise that we shall take part in these Olympic Games, respecting and abiding by the rules that govern them, in the true spirit of sportsmanship, for the glory of sport and the honour of our teams."

THE OLYMPIC MOTTO

"Citius, Altius, Fortius - Communiter"

These three Latin words mean

"Faster, Higher, Stronger - Together"
