THE NATIONAL ANTHEM OF INDIA

Jana-Gana-Mana
(Thou Art the Ruler of All Minds)

The Indian National anthem, composed originally in Bengali by Rabindranath Tagore, was adopted in its Hindi version by the Constituent Assembly as the National Anthem of India on 24 January 1950. It was first sung on 27 December 1911 at the Calcutta session of the Indian National Congress. The complete song consists of five stanzas. The lyrics were rendered into English by Tagore himself.

"Jana Gana Mana Adhinaayaka Jaya He
Bharat Bhagya Vidhata
Punjab Sindh Gujarat Maratha
Dravida Utkala Banga
Vindhya Himachal Yamuna Ganga
Uchhala Jaladhi Taranga
Tubh Shubha Name Jage
Tubh Shubha Ashisha Mange
Gahe Tubh Jaya Gata
Jan Gan Mangaldayak Jay He,
Bharat Bhagya Vidhata
Jaya He! Jaya He! Jaya He!
Jaya, Jaya, Jaya, Jaya He"

Translation of The national anthem - Jana Gana Mana in English

Thou art the ruler of the minds of all people, dispenser of India's destiny. The name rouses the hearts of Punjab, Sind, Gujarat and Maratha. Of the Dravid and Orissa and Bengal. It Echoes in the hills of Vindhyas and Himalayas, mingles in the music of Yamuna and Ganga and is chanted by the waves of the Indian Sea. They pray for your blessing and sing the praise. The salvation of all people – is thy hand, thou dispenser of India's destiny. Victory, Victory, Victory to these.

Ramakrishna Mission Vidyalaya

The Ramakrishna Mission Vidyalaya, Coimbatore, a vast complex of 14 educational service wings, commenced its activities in 1930 with the blessings of Bhagavan Sri Ramakrishna. Father of the Nation, Mahatma Gandhi, laid the foundation stone of the first wing, a school. Sri T.S. Avinashilingam, the Founder-Director, nurtured the Vidyalaya with his visionary and devoted service. Though it began humbly as a school with a single Harijan student under a thatched roof in Coimbatore in 1930, over the years it grew into a vast educational Complex. It is now spread over an

area of 300 acres in Perianaickenpalayam, Coimbatore. The Vidyalaya was affiliated to the Ramakrishna Mission, Belur Math, Howrah, West Bengal, in January 1935. Swami Abhiramanandaji Maharaj is now the Secretary of the Ramakrishna Mission Vidyalaya, Coimbatore. The Vidyalaya institutions are guided by a team of dedicated monks.

SRMV Maruthi College of Physical Education (MCPE)

The Maruthi College of Physical Education (MCPE) is one of the institutions in the Vidyalaya which was started in the year 1956. This institution has been named after the great Ramayana hero, Mahavir, also called Maruthi or Hanuman. Faith and devotion are essential factors in the development of strength in any individual. Personal purity and devotion to a great cause are the necessary requisites for a healthy living. Maruthi, who personified in himself these great qualities, has stood as the ideal of manhood to millions of men in our country. And so it is only fitting that this institution is named after him.

Goals and Objectives of the Institution

The goals and objectives of the institution are to actualize Swami Vivekananda's educational vision, to impart life-building, man-making and character-building education through a balanced combination of secular and spiritual training. The emblem of the Ramakrishna Mission, conceived and designed by Swami Vivekananda, is an eloquent expression of its goals and objectives. The message conveyed by the emblem is: through the harmonious combination of knowledge (jnana), devotion (bhakti), work (karma), and concentration (yoga), one attains life's fulfilment. This synthesis of four yogas means that there should be a harmonious blend of heart, head and hand-which, in fact, should be the goal of all education and training: the making of a complete human being, the development of a perfect character. This development is possible through a manifestation of a person's innate perfection.

The vision of the college is to provide personal intellectual and professional growth of its students and staff and to produce an ideal physical education teacher with emphasis on man making and character building education.

What Our Emblem Signifies

The wavy waters in the picture are symbolic of Karma, the lotus of Bhakti and the rising sun of Jnana. The encircling serpent is indicative of yoga and the awakened Kundalini Shakti, while the swan in the picture stands for the Paramatman. Therefore, the idea of the picture is that by the union of Karma, Jnana, Bhakti and Yoga the vision of the Paramatman is obtained.

MAN THE MAKER OF HIS DESTINY

'It is the coward and the fool who says, "This is fate' – so says the Sanskrit proverb. But it is the strong man who stands up and says, 'I will make my fate'. It is people who are getting old who talk of fate. Young men generally do not come to astrology.

We are responsible for what we are, and whatever we wish ourselves to be, we have the power to make ourselves. If what we are now has been the result of our own past actions, it certainly follows that whatever we wish to be in future can be produced by our present actions; so we have to know how to act.

Make your own future. 'Let the dead past bury its dead.' The infinite future is before you, and you must always remember that each word, thought, and deed lays up a store for you, and that as the bad thoughts and bad works are ready to spring upon you like tigers, so also there is the inspiring hope that the good thoughts and good deeds are ready with the power of a hundred thousand angels to defend you always and for ever.

– **Swami Vivekananda**

FAITH AND STRENGTH

Whatever you think, that you will be. If you think yourselves weak, weak you will be; if you think yourselves strong, strong you will be.

He is an atheist who does not believe in himself. The old religions said that he was an atheist who did not believe in God. The new religion says that he is an atheist who does not believe in himself.

The history of the world is the history of a few men who had faith in themselves. That faith calls out the divinity within. You can do anything. You fail only when you do not strive sufficiently to manifest infinite power. As soon as a man or a nation loses faith, death comes.

Faith, faith, faith in ourselves, faith, faith in God, this is the secret of greatness. If you have faith in all the three hundred and thirty millions of your mythological gods, and in all the gods which foreigners have now and again introduced into your midst, and still have no faith in yourselves, there is no salvation for you.

– Swami Vivekananda
